**Visit to a Dutch Eendenkooi
The Netherlands**

by Rosemary Shenk and Joyce Maxwell

A beautifully illustrated photo book about the traditional working role of the kooikerhondje. This hard-cover, full-color, 22 page coffee-table book describes the construction of a kooi trap, the role of the kooikerhondje in catching ducks, and the broader role of the eendenkooi in wildlife preservation. Available in two options, standard and custom. For the custom book, send a minimum of four photographs of your dog and we will insert them into the book to make a personalized copy featuring your own kooi dog!
